

DEEP CREEK PRESCHOOL ENROLMENT & ORIENTATION POLICY

Mandatory – Quality Area 6

PURPOSE

This policy outlines:

- the criteria for enrolment at Deep Creek Preschool
- the process to be followed when enrolling a child at Deep Creek Preschool
- the basis on which places within the programs will be allocated
- procedures for the orientation of new families and children into Deep Creek Preschool
- processes to ensure compliance with legislative and DET funding requirements in relation to the enrolment of children in early childhood education and care services.

POLICY STATEMENT

1. VALUES

Deep Creek Preschool is committed to:

- equal access for all eligible children
- meeting the needs of the local community
- supporting families to meet the requirements for enrolment through the provision of information
- maintaining confidentiality in relation to all information provided for enrolment
- ensuring all families are welcomed and receive an effective orientation into the service.

2. SCOPE

This policy applies to the Approved Provider, Persons with Management and Control, Nominated Supervisor, early childhood teachers, Persons in Day to Day Charge, educators, staff and parents/guardians who wish to enrol or have already enrolled their child at Deep Creek Preschool.

3. BACKGROUND AND LEGISLATION

Background

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (Regulation 168(2) (k)).

It is intended that all eligible children (refer to *Definitions*) will have access to one year of kindergarten before commencing school. However, a shortage of places in some areas can limit choices for parents/guardians. Where demand is higher than availability, Approved Provider's must adhere to their eligibility and priority access criteria (refer to *Definitions* and *Attachment 1*) policy in order to allocate the available places. The criteria used to determine the allocation of places takes account of the requirements set out in *The Kindergarten Guide* (refer to *Sources*), the service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2012*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children.

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with acceptable immunisation documentation (refer to *Definitions*).

Legislation and standards

Relevant legislation and standards include but are not limited to:

- *A New Tax System (Family Assistance) Act 1999*

- *Charter of Human Rights and Responsibilities Act 2006* (Vic)
- *Children, Youth and Families Act 2005* (Vic)
- *Child Wellbeing and Safety Act 2005* (Vic)
- *Disability Discrimination Act 1992* (Cth)
- *Education and Care Services National Law Act 2010*
- *Education and Care Services National Regulations 2011*: Regulations 160, 161, 162, 168, 177, 183
- *Equal Opportunity Act 2010* (Vic)
- *Family Assistance Legislation Amendment (Child Care Rebate) Act 2011*
- *National Quality Standard, Quality Area 6: Collaborative Partnerships with Families and Communities*
- *Public Health and Wellbeing Act 2008* (Vic)
- *Public Health and Wellbeing Amendment (No Jab, No Play) Regulations 2015* (Vic)

4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

Acceptable immunisation documentation: documentation as defined by the *Immunisation Enrolment Toolkit for early childhood education and care services* as acceptable evidence that a child is fully vaccinated for their age, or is on a recognised catch-up schedule if their child has fallen behind their vaccinations; or has a medical reason not to be vaccinated; or has been assessed as being eligible for a 16 week grace period.

Authorised nominee: (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. Each service will need to consider a risk assessment on an individual basis to determine if a person under the age of 18 is able to be an authorised nominee and, if so, what constitutes the minimum acceptable age at that service.

Children with additional needs: Children whose development or physical condition requires specialist support or children who may need additional support due to language, cultural or economic circumstances (refer to *Inclusion and Equity Policy*).

Deferral: When a child does not attend in the year when they are eligible for a funded kindergarten place or is officially withdrawn from a service prior to the April data collection. DET considers that this child has not accessed a year of funded kindergarten and is therefore eligible for DET funding in the following year.

Eligible child: A child attending an early childhood education and care service as described in the *Immunisation enrolment toolkit for early childhood education and care services* or a child in a kindergarten program who meets the requirements of both *The Kindergarten Guide* and the *Immunisation enrolment toolkit for early childhood education and care services*.

Enrolment application fee: A payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service.

Enrolment application form: A form to apply for a place at the service (see Attachment 3A & 3B: Deep Creek Preschool Enrolment Application Form).

Enrolment form: A form that collects contact details, and personal and medical information from parents/guardians about their child. The information on this form is placed on the child's enrolment record (see below) and is kept confidential by the service.

Enrolment record: The collection of documents which contains information on each child as required under the National Regulations (Regulations 160, 161, 162) including the enrolment form; details of any court orders; and immunisation documentation as specified in the *Immunisation Enrolment Toolkit for early childhood education and care services*. Enrolment records are stored securely in the service due to their confidential nature.

Fee: A charge for a place within a program at the service.

Priority of access: in instances where more eligible children apply for a place at a service than there are places available, the service must allocate spaces using the criteria outlined in *The Kindergarten Guide* (refer to Sources).

ATTACHMENT 1

Eligibility and priority of access criteria

1. Eligibility and priority of access criteria for the funded 4-year-old kindergarten program

The following children are eligible for attendance in the funded kindergarten program:

- children who have been granted approval to receive funding for a second year of kindergarten in accordance with *The Kindergarten Guide* available at: www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx
- children who were eligible to attend in the previous year, but:
 - deferred
 - withdrew from the service prior to the April data collection
- children who turn four years of age by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET (refer to *The Kindergarten Guide*, available at: <http://www.education.vic.gov.au/childhood/providers/funding/Pages/default.aspx>)
- children who are younger than the eligible age, but whose parents/guardians have submitted an early age entry request for their child to attend school the following year. This written request is to be directed to the regional office of DET, or the non-government school the child will be attending. A copy of the approval must be attached to the kindergarten application. Parents/guardians should note that very few requests are approved by DET. If the child attends kindergarten early, but does not proceed to school in the following year, they will be unable to access a second year of kindergarten unless they are deemed eligible by DET for having recognised developmental needs
- three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection may be eligible for the Early Start Kindergarten program. This scheme provides funding to enable children to attend a kindergarten program that is planned and delivered by an early childhood teacher for a specific number of hours. Details are available at: www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx

When demand exceeds availability, the Approved Provider will refer to the service's values, philosophy and *Inclusion and Equity Policy* to determine the priority of access. This will include:

- children who have received funding for a second year of kindergarten
- children who were eligible to attend in the previous year but deferred or withdrew from the service prior to the April data collection.
- priority of access criteria as outlined in *The Kindergarten Guide* available at: www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx

Other considerations may include date of application, siblings already enrolled at the service, attendance in the three-year-old program and local community zoning.

2. Eligibility and access criteria for the four-year-old unfunded Activity Group (Optional 2.5 hours)

Children are eligible for attendance in the unfunded four-year-old Activity Group. The additional 2.5 hours is OPTIONAL and does not form part of the 15 hours four-year-old funded kindergarten program. Children will complete a total of 17.5hrs per week.

The Approved Provider has the following access criteria applicable to the unfunded Activity Group if you choose to opt in:

- children MUST commit for the entire year unless there is a family on the waiting list (for the Activity Group) that could potentially replace and fill your child's spot.
- If positions are available in the Activity Group throughout the year, families can opt in at any time
- A maximum of 30 children can opt in to the additional 2.5 hours.
 - If demand of the Activity Group exceeds availability, priority will be given to those families who have a letter from their employer / or educational institution stating the requirement for the Activity Group due to work/study commitments.

3. Eligibility and access criteria for the three-year-old kindergarten program

Children are eligible for attendance in the three-year-old program provided they have turned three prior to commencement. They also must turn three on or before the 30th April of the year they would attend the 3yo program. If the child has not turned three from the commencement of Term 1, the full-term fee will be payable regardless of the date of actual commencement in the program.

When demand exceeds availability, preference will be given to older children who turned 3 before the 31st of January of the year they would attend preschool.

Children will only be able to attend a second year of three-year-old kindergarten in exceptional circumstances (after consideration by the Approved Provider) or when all eligible children on the waiting list have been offered a place.

The Approved Provider must determine eligibility and access criteria applicable to the service.

Considerations may include:

- children recommended by an educator for an additional year in the three-year-old program
- date of application and enrolment fee received – for example, families can enrol for the program when their child has turned two
- siblings attending the service. Children whose siblings attended the Preschool in the past year/s and have lodged an application by the 30th of March the year prior to attending.
- places allocated by the service for transient families e.g. RAAF, seasonal workers and tourism workers
- local community zoning
- exceptional circumstances at the discretion of the Director and Committee who shall both agree.

4. Allocation within groups

Where the service provides more than one four-year-old funded kindergarten program, Activity Group or three-year-old program, places within the programs will be allocated to groups by the service in line with the eligibility and priority of access criteria. Parents/guardians who have provided an official letter from their employer or educational institution will receive priority for group allocation to suit their employment/education hours.

Considerations may include:

- Needs of individual children
- Needs of the group
- Parental wishes.

ATTACHMENT 2

- A separate application form must be completed for each child, and for each proposed year of attendance at the service.
- To facilitate the inclusion of all children into the program, enrolment applications should clearly identify any additional or specific needs of the child (refer to *Inclusion and Equity Policy*).
- Parents/guardians of children currently attending a three-year-old program must also submit an enrolment application form for the following year.
- A copy of the child's official birth certificate or passport must be submitted with all applications.

- All enrolment application forms must be accompanied by an enrolment application fee in line with Deep Creek Preschool's Fees Policy of \$20 for three-year-old & four-year-old or a \$15 enrolment application fee for one group only. Please refer to *Attachments 3A & 3B* for further details on method of payment.
- Completed enrolment application forms, together with payment or proof of payment are to be forwarded to the Enrolments Officer, Deep Creek Preschool, 510 Blackburn Rd, Doncaster East 3109 or e-mailed to enrolments.deep.creek.kin@kindergarten.vic.gov.au

- 30th April 2021 for children to attend the four-year-old funded (and Activity Group) kindergarten program in 2022
- 30th April 2021 for children to attend the three-year-old program in 2022.

3. Applications will be considered after these dates if positions are still vacant

Applications received after the above closing dates will be considered if there are available places, and after all other applicants have been offered a place, in line with the eligibility and priority of access criteria of Deep Creek Preschool.

4. Offer of places

- Tentative places will be offered in writing to applicants in accordance with the eligibility and priority of access criteria of the service making clear that confirmation of places is not final until immunisation documentation has been received, assessed and found acceptable.
- Deep Creek Preschool requires parents/guardians who have been offered a tentative place to provide acceptable immunisation documentation for assessment two months prior to the child first attending the service in order that a confirmed place can be offered.
- The documentation is assessed as outlined in the *Immunisation enrolment toolkit for early childhood education and care services* by the person responsible for the enrolment process on behalf of the Approved Provider. The Key Dates work form in the *Immunisation enrolment toolkit for early childhood education and care services* is used to determine the date at which immunisations must be up to date. The toolkit also provides guidance on assessing immunisation documentation to determine if a child is up to date or qualifies for an exemption. The following documents and resources can be accessed from <https://www2.health.vic.gov.au>:
 - The *Immunisation enrolment toolkit for early childhood education and care services* (search ‘Immunisation enrolment toolkit’)
 - The Key Dates work form (search ‘Key Dates work form’)
 - Hard copies of the immunisation resources (search ‘immunisation resources order form’)
- The acceptable outcomes of the assessment for offering a confirmed place are:
 - That the next due vaccine for the child on the AIR Immunisation History Statement or the Immunisation Status certificate is within the acceptable timeframe for an enrolment, or;
 - That the child is on a recognised catch-up schedule if they have fallen behind with their vaccinations, or;
 - That the child has a medical reason not to be vaccinated, or,
 - That the child has been assessed by Deep Creek Preschool as being eligible for a 16-week grace period
- The person responsible for the enrolment process advises the parent/guardian in writing whether a confirmed place is offered, and the enrolment can proceed.
- Parents/guardians who do not have acceptable immunisation documentation cannot be offered a place and are referred to Australian Childhood Immunisation Register or to an immunisation provider (refer to Appendix 4 – Letter for parents/guardians who do not have acceptable immunisation documentation).
- Offer of places in the three-year-old program/s and the four-year-old funded kindergarten program will be made at the same time.
- Parents/guardians who do not wish to accept the offer of a tentative or confirmed place, or intend to withdraw their enrolment, are requested to notify the Approved Provider, or the person responsible for managing the enrolment process at the service, in writing as soon as possible.
- A fee of \$120 must be paid in accordance with the Deep Creek Preschool's Fees Policy by the date & payment options stated on the “Letter of Enrolment Offer” to hold the place for the following year. This fee will be deducted from Term 4 fees.
- An enrolment form and other relevant information will be provided by Deep Creek Preschool to the parent/guardian after a confirmed place has been accepted and the fee has been paid.

Note: Places will not be allocated to children until any outstanding fees owed to the service by the family is paid, or a payment plan is agreed to between the family and the service (refer to *Fees Policy*).

Enrolment and Immunisations

The Government's No Jab No Play laws require all children to be age-appropriately immunised before enrolment can be confirmed.

You can request an Immunisation History Statement via:

- your Medicare online account / Express Plus Medicare mobile app
- If you can't use Medicare online, your vaccination provider can print your immunisation history statement for you. Alternatively, you can visit a Medicare Service Centre in person.
- Call AIR enquiries line 1800 653 809 and ask them to send it to you. It can take up to 14 days to arrive in the post.

Parents/guardians offered tentative places will be asked to provide immunisation documentation to Deep Creek Preschool that shows that their child's immunisations are up to date for their age or that an exemption applies.

Confirmation of places is finalised after the documentation has been assessed that the child is up to date or that the child is on a recognised catch-up schedule if they have fallen behind with their vaccinations, or that the child has a medical reason not to be vaccinated or that the child has been assessed as being eligible for a 16 week grace period.

Further information on immunisation requirements for enrolment in early childhood services is available on the State Government's [Better Health Channel](https://www.betterhealth.vic.gov.au/campaigns/no-jab-no-play) at www.betterhealth.vic.gov.au/campaigns/no-jab-no-play

Do you acknowledge that your child's acceptance to Deep Creek Preschool is determined by the requirements of priority of access outlined in Deep Creek Preschool's enrolment policy?

Yes No

Please Note: This is an Application Form and does not guarantee a confirmed place at Deep Creek Preschool. The Enrolment Officer will advise the parent/guardian in writing via a "Letter of Offer" whether a place is offered. Please refer to the Closing Dates for Enrolment Applications as stipulated in the *Enrolments & Orientation Policy, Attachment 2 – Enrolment general procedures*.

Dear [insert name]

Re: Enrolment at Deep Creek Preschool for [insert year]

I am contacting you regarding your tentative place for [insert child's name] at Deep Creek Preschool in the [insert 3-year-old or 4 year old program] in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided acceptable immunisation documentation.

Acceptable immunisation documentation includes evidence that your child:

- is fully vaccinated for their age
- is on a recognised catch-up schedule
- has a medical reason not to be vaccinated
- has been assessed by our service as being eligible for a 16-week grace period.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, we are unable to confirm a place at our service for [insert year] and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- Manningham Immunisation Centre: www.manningham.vic.gov.au/immunising-your-family
- National Immunisation Information Line Tel. 1800 671 811
- Australian Childhood Immunisation Register Tel 1800 653 809
- Better Health Channel website: <https://www.betterhealth.vic.gov.au/no-jab-no-play>

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by acceptable immunisation documentation. The new application would be considered in line with Deep Creek Preschool's Enrolment and Orientation policy.

Yours sincerely

[Insert name]
